SPECIAL for Low usage consumers only **$79.95 per month**

Low Usage **Hi Speed Wireless** **650kbps x 500kbps**

3 gig transfer (up/down)incl'd Additional transfer invoiced at $15.00per gig.. Each leg runs over at a max speed of 11 meg per second. Any streaming video, voip, online gaming, downloading of movies, music and pirated software really loads down internet services and especially wireless. It will compromise the performance for everyone else and greatly increase your transfer usage/overage.

Things like music sharing programs may transfer data day and night that you are not aware of resulting in higher usage fees. You are responsible for what your computer uses.

This is a residential service and using it for a server or web services is not allowed.
